### **Pullover Hoodie by 47 Brand**

Snuggle into this super soft, extra thick hoodie and you'll wish you could pull your legs up inside of it and burrow in like a forest creature 'til springtime. And isn't that the hoodie we've all been dreaming of? Your inner chipmunk will love these features:

- Luxurious, substantial knit fabric is 60% cotton, 40% polyester
- Kitten-soft fleece lining
- Front pouch pocket for toasty hands
- Drawstring hood for that maximum sense of tucked-in-ness
- Ribbed knit cuffs and bottom band to keep out drafts
- Fits true to size, through 2X

### **New Astronomy Jacket**

#### **Astronomy Fleece-Lined Quilted Jacket**

Why do we love menswear style? Classic lines, sophisticated hues and comfortable fabrics. As far as we're concerned, those qualities are unisex. So go ahead – snuggle into this handsome heather gray quilted jacket by Astronomy. There's a lot to like:

- Cozy sherpa fleece lining
- Snap closure
- Deep welt pockets with arrow-point stays
- Two handy front flap pockets
- 100% cotton shell, 100% polyester lining
- Machine washable
- Imported

Note: Men's sizing runs large.

## **Charlie Tee**

FACT: There's nothing more adorable than you in a TomboyX t-shirt. And sure, we're biased. But that doesn't mean we're wrong! Try us. With features like these, you'll fall hard for the Charlie tee (and who knows who might fall for you?):

- 100% cotton that's soft as a baby's bottom
- Glow-in-the-dark TBx tag, because why not?
- Secret message hidden inside every shirt
- Spiffy contrasting red ladder stitch
- In sizes through 3X
- Made in the USA
- Machine washable

Tip: Pair the Charlie tee with our CamJam flannel bottoms for the ultimate pajamas.

## **“Good Carma” Boxer Briefs**

Oh yes we did: boxers for a woman's body. And we mean *really* for a woman's body. We fit-tested our boxer briefs on tomboys of every size and shape and listened hungrily to the feedback. We were on a mission to perfect the boxer brief for the female form and we did it. And comfortable? *Ohhh* yeah. Check it out:

- Silky soft TomboyX branded waistband hugs you from front to back with no gaping
- High-quality cotton touched with just enough spandex to mirror your moves without binding (95% cotton, 5% spandex)
- Built to last with reinforced seams in all the right places
- Legs are 6” long, providing ample coverage and protection from chafing; won't ride up
- Just plain cute decorative buttons and ladder stitching
- Made for *every* woman, from spunky petites to that healthy, robust 4X

Game on, ladies. Let's play!

## **“Bobbie” Boxer Briefs**

There's just something about racing stripes that speak to a tomboy. They're sporty, sleek, and ready for action. (And we know some grrls who *love* them under their roller derby skirts!) Our Bobbie boxer briefs are engineered to fit a woman's body – and we mean *really* fit! Check it out:

- Silky soft TomboyX branded waistband hugs you from front to back with no gaping
- High-quality cotton touched with just enough spandex to mirror your moves without binding (95% cotton, 5% spandex)
- Built to last with reinforced seams in all the right places
- Legs are 6" long, providing ample coverage and protection from chafing; won't ride up
- Wide, sporty stripe on outer leg
- Made for *every* woman, from spunky petites to that healthy, robust 4X
- Imported

Start your engine -- you're looking good for this race.

### **"Feeling Frisky" Boxer Briefs**

Our Feeling Frisky boxers are for the frolicsome, the fun-loving, and the free-spirited. Hey, life's a gift, and so are these undies! And with reasons like these, why wouldn't you wear them every day?:

- Silky soft TomboyX branded waistband hugs you from front to back with no gaping
- High-quality cotton touched with just enough spandex to mirror your moves without binding (95% cotton, 5% spandex)
- Built to last with reinforced seams in all the right places
- Legs are 4.5" long; won't ride up
- Handsome contrasting piping (except on all-white boxers)
- Made for *every* woman, from spunky petites to that healthy, robust 4X
- Imported

Why not wear the underwear you *really* want?

### **"Tomboy" Short**

Hey, don't get your shorts in a twist. Turns out you really *can* get boy shorts to fit a woman's body! We tested and tweaked our shorts on tomboys of every size and shape. We were on a mission to perfect the boy short for the female form and we did it. And are they comfortable? *Ohhh* yeah. Check it out:

- Silky soft TomboyX branded waistband hugs you from front to back with no gaping

- High-quality cotton touched with just enough spandex to mirror your moves without binding (95% cotton, 5% spandex)
- Built to last with reinforced seams in all the right places
- Legs are 2.5” long, providing coverage where you want it, but giving your thighs the freedom they crave; won’t ride up
- Made for *every* woman, from spunky petites to that healthy, robust 4X
- Imported

You waited too long for shorts this good!

### **Iconic Briefs**

These undies didn’t come from the boy’s department. We designed them specifically to fit a woman’s body – and we mean *really* fit! We fit-tested our briefs on tomboys of every size and shape and listened hungrily to the feedback. We were on a mission to perfect the menswear-style brief for the female form and we did it. And comfortable? *Ohhh* yeah. Check it out:

- Silky soft TomboyX branded waistband hugs you from front to back with no gaping
- High-quality cotton touched with just enough spandex to support your swagger -- without binding (95% cotton, 5% spandex)
- Built to last with reinforced seams in all the right places
- Trimmed in clean, classic white
- Made for *every* woman, from spunky petites to that healthy, robust 4X
- Imported

Get ‘em on and get ballin’.
