### **Copper Cuff**

Wearable art worthy of a warrior queen. Copper rod cuff is hand-forged and oxidized, then wrapped with a sterling silver “nest” by a local Seattle artisan.

### **Brass Cuff**

When they remark that you’ve “got brass”, you take that as a compliment. Why not wear it? Brass rod cuff is hand-forged and oxidized, then wrapped with a sterling silver “nest” by a local Seattle artisan.

### **Triple Copper Bangle**

It’s edgy but elegant, primitive but knowing – a little like someone you know? For this bangle, a triple copper wire is hand-forged and soldered, then wrapped with three sterling silver “nests” by a local Seattle artisan.

### **Quadruple Copper Bangle**

You don’t trust it when it’s a little too polished and perfect, do you? This bracelet will speak to you with her sincerity. She’s a bit of a wild child, self-tamed to an irresistible sophistication. A quadruple copper wire is hand-forged and soldered, then wrapped with three sterling silver “nests” by a local Seattle artisan.
